Financial Aid

MCC encourages all students to apply for financial aid for the 2010-2011 award year.

Students approved for financial aid will receive an e-mail notification about viewing their award letter for 2010-2011 on WebAdvisor.

To guarantee the use of financial aid for eligible students for Spring registration, students must have submitted all documentation as requested by the FA Office by November 5, 2010.

To Apply for Financial Aid

- Apply over the Internet with FAFSA on the Web at www.fafsa.gov Be sure to list Mitchell Community College (Federal Code 002947) in step six on the FAFSA. You and/or your parents can apply for a PIN to "sign" the FAFSA electronically, which means the student aid process can be completed totally online.
- You must have an MCC Admissions Application on file with the Admissions Office.
- If additional documents are needed to complete the financial aid process, the student will be mailed a document tracking letter.

Note: *Students must submit official transcripts from high schools or acceptable GED scores.*

Important Requirements

- You must be attending all classes to be entitled to your financial aid.
- If you totally withdraw from all your classes, you may be responsible for the repayment of PELL, ACG and/or FSEOG funds under the calculation of Return to Title IV funds.
- If you are a "No Show" in any class(es) , your financial aid will be calculated based on the number of hours you are currently attending and you will be charged tuition and fees for the classes you are reported a "No Show."
- If you register for fast track classes with a start date later than January 10, 2011, your financial aid will be calculated based on the number of hours you are currently attending. Any remaining financial aid for fast track classes may be awarded once your attendance is confirmed.
- Financial aid students are limited to 30 semester credit hours, equivalent to one year's worth, in developmental education courses/remedial courses. Semester credit hours in excess cannot be counted towards enrollment.
