

Greetings:

Welcome to Mitchell Community College! Our College has a fascinating 150-year history and an exciting future filled with possibilities. Enrollments are increasing at a steady pace as our county and region undergo dramatic growth and development. We prepare students to continue their studies in a wide range of fields at colleges and universities across the state, and we prepare students to enter vocational and technical fields to meet the demands of a highly competitive workplace. We also offer pre-college programs in adult basic education and literacy, as well as both short- and long-term occupational training in a large number of job-related fields through our Continuing Education Division. We would like to assist you in meeting any education or training needs you or your company may have. We pride ourselves on being very “user-friendly” by combining individual attention for each student with high-quality programs of instruction. We understand that your success is our success.
