

Transfer students

Transfer students may enter Mitchell after meeting all admission requirements. Mitchell will accept credits (with equivalent credit hours and course content) from all institutions within the North Carolina Community College System and from other accredited colleges. You may transfer credits earned at other institutions, if the grades meet Mitchell's academic standards and provided Mitchell receives documentation proving that equivalent competencies were met. If you have an overall average of 2.0, Mitchell may accept a grade of "D" or better provided the transfer is appropriate to your program of study. If your overall average is less than 2.0, Mitchell will only accept a grade of "C" or better. Mitchell must receive official transcripts for you to receive transfer credit. Final acceptance or rejection is at the discretion of the College. To be eligible for graduation in an associate degree program, you must earn a minimum of 20 semester hours credit at Mitchell. Only 25 percent of the total credit hours in a diploma or certificate program may be accepted as transfer credits.

Comprehensive Articulation Agreement

The North Carolina Comprehensive Articulation Agreement (CAA) is a statewide agreement governing the transfer of credits between NC community colleges and NC public universities. The CAA identifies which community college courses transfer as electives, pre-major requirements and general education requirements.

Tech Prep Articulation Credit

Mitchell formally identifies, recognizes and awards College Tech Prep placement credit (college credit) for courses in the N.C. High School to Community College Articulation Agreement, if the college course for which credit is being sought is listed in this catalog. To receive credit, a student must meet both the grade and VoCATS score requirements. Mitchell must receive official documentation of a student's eligibility from the student's high school. For a complete list of the courses and requirements, please contact your high school or a counselor at Mitchell.
