Mitchell Community College Student Portals

Mitchell Community College students have access to three portals: Self-Service, Microsoft 365 (Email), and the learning management system (LMS).

Username and Password

Upon admission to the institution, curriculum students receive a Mitchell Community College username. This username is utilized for all online services at Mitchell Community College. Your initial password is provided by your advisor.

Email and Office 365

All curriculum students are provided with a Microsoft 365 email account. Your Microsoft 365 email account is the official communication channel, and it's essential to keep informed by reading Mitchell Community College-related emails sent to this address. Your student email address follows the format: username@students.mitchellcc.edu. Another advantage of being a student at Mitchell Community College is the access to Microsoft Office for free, as long as you maintain active student status. To learn how to obtain your complimentary copy of Microsoft Office, you can either scan the QR code or visit our support portal at <https://servicedesk.mitchellcc.edu/support/solutions>.

Access to your college email account will be removed after 2 consecutive semesters without an active class. Mitchell Community College email accounts are to be used for college business only and are subject to administrative actions deemed necessary by appropriate college personnel at any time. Use of college email accounts for personal reasons is highly discouraged.

NOTE: The use of email will be consistent with other Mitchell Community College policies. The College strictly forbids unlawful, unsolicited commercial advertising, mass mailings, harassment, spam or hoaxes, and political propaganda by students. For more information on Mitchell Community College's email policy, visit Mitchell Community College's Catalog (opens in a new window).

Enrolling in Microsoft Multi-Factor Authentication (MFA) is mandatory to access your account. You will receive a prompt to enroll in this service the first time you authenticate to Microsoft 365. This enrollment also provides access to Microsoft Password Services, allowing students to independently manage their accounts.

Distance Learning

Learning Management System (LMS)

Open LMS is the learning management system (LMS) used by Mitchell Community College. It is built on the Moodle platform and it is used as the primary delivery method for courses with online content. All curriculum courses at Mitchell Community College have a designated space on the LMS.

For all courses, instructors must include their contact information, syllabus, schedule in the LMS, and use the gradebook for recording grades. Instructors of seated classes may use their LMS course site to enhance teaching and learning in the classroom setting.

For hybrid and HyFlex courses, the majority of instruction and class assignments will occur within the LMS. It is imperative for you, as a student, to check course content within the LMS regularly.

All students must complete a Mandatory Completion Enrollment Activity (MCEA) in the LMS. For courses with an online component, the MCEA must be completed before the census date of the course for you to stay enrolled in the course.

Accessing the Learning Management System

The learning management system (LMS) requires students to be authenticated using their Mitchell Community College Microsoft 365 username and student-managed password in order to securely log in and gain access to their online course(s).

As stated above, your LMS username and password will be the same as your Mitchell Microsoft 365 account. It is important to be able to log into your Mitchell Microsoft 365 account before attempting to log into the LMS.

NOTE: If you do not have a Mitchell Office 365 email address, you will log in to the LMS by entering your username and password in the fields under the Mitchell Community College logo.

Student Help for Online Services

If you need help with Self-Service, Microsoft 365, or the LMS, visit the My Mitchell webpage and click on Help. You will be redirected to "Resources for Online Learning." At the end of this page you will find a link to "User Support Services" along with a phone number for 24/7 student support for LMS issues. Please visit the "User Support Services" page to view guidance on the most commonly asked LMS questions prior to initiating a phone call.

You may also send an email to dl-information@mitchellcc.edu. Emails will be directed to the college’s ticketing system.

Ticket Received After Hours and on Weekends (After 4 p.m. Mon.-Fri. and Sat.-Sun.):

Tickets received outside of office hours will be collected; however, no action can be guaranteed until the next working day.

Ticket Received During Holidays/Breaks/College Closures:

By end of next business day college is open/normal operating hours.

Wi-Fi

Mitchell Community College provides WIFI access to all students.

- To access the college’s Wi-Fi network, students can connect to the MCC Wifi network.
- You will be prompted to provide a username and password to authenticate with the network.
- Your username will be the part of your email address before the "@" symbol. For instance, if your email is jsmith@students.mitchellcc.edu, your username would be "jsmith".
- Your password will be your Microsoft 365 password.
- The MCC Guest network is offered as an extra Wi-Fi network for college guests and personal devices.

Student IDs and Parking Permits

All curriculum students must have a Mitchell Student Photo ID. Photo IDs and parking permits are available at the Campus Security Office Monday through Friday. Regular hours are 8:30 a.m.-noon and 2-4 p.m. Students must bring a printed copy of their current schedule and a photo ID. Call (704) 878-4367 for information about evening availability. IDs can qualify you for discounts at businesses in Statesville and Mooresville.

General Information

Academic Honesty

Mitchell is committed to academic excellence which strengthens pride, integrity and self-realization. Such acts as plagiarism (presenting the words, graphics, structure, or ideas of others as if they were one’s own without proper acknowledgment or documentation) and taking answers from another student’s test paper are subject to disciplinary action. Any form of academic dishonesty is unacceptable and if detected could result in disciplinary action.

Academic Probation

Since 2.0 is the minimum cumulative grade-point average (GPA) required to graduate, curriculum students who fail to maintain a cumulative 2.0 GPA at the completion of any semester will be placed on academic probation for the following academic term. The Registrar will notify students and their advisors by College email or letter of probationary status and will advise those students to make an appointment with their academic advisor or, if a Special Credit student, to make an appointment with an admissions specialist.

MFA

Multi-factor Authentication

- - Mitchell employs Azure MFA for Multi-Factor Authentication for its students.
- - Registration for Azure MFA is mandatory for all students; no exceptions.
- - Available methods include using the free Microsoft Authenticator app for smartphones or a phone number.
- - Multi-Factor Authentication is a requirement for accessing college services like email, Microsoft 365, OpenLMS, and Self-Service. Additional services may be included in the future.
- - Enrolling in MFA also provides access to Microsoft Password Services, allowing students to manage their account passwords at any time, 24/7.

Academic Suspension

A student who does not maintain a cumulative GPA of 2.0 or above for two consecutive semesters will be placed on academic suspension. A suspended student is prohibited from enrolling in the College until he or she has petitioned the Academic Review Board to receive permission to re-enroll.

Academic Re-Instatement

A suspended student seeking readmission must petition the Academic Review Board prior to the beginning of the semester. This written statement should include the reasons the student wants to be admitted, work schedule, proposed course load, educational goals and any other information that might provide an explanation of the circumstances that led to the academic suspension.

The Academic Review Board will review the petition and any other supporting documentation submitted by the student and will notify the student of the decision.

Re-enrollment may be contingent on the student taking specific courses or activities as required by the Academic Review Board. The sole intent of the Board is to provide the student the greatest possible opportunity for academic success. The petition and supporting documents should be mailed to: Admissions Office, Mitchell Community College, 500 West Broad Street, Statesville, NC 28677

Important Note for Students Receiving Financial Aid: The Academic Review Board can grant permission to re-enroll but does not make decisions regarding financial aid eligibility. Students who have been granted permission to re-enroll will need to contact the Financial Aid Office to discuss the status of their financial aid.

ADA Grievance Procedure

Mitchell has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the U.S. Department of Justice regulations implementing Title II of the Americans with Disabilities Act. Title II states, in part that "no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination" in programs or activities sponsored by a public entity. Complaints should be addressed to the Office of Accessibility Services, Eason Student Services Building, 500 West Broad Street, Statesville, NC 28677, (704) 878-3202.

A complaint should be filed in writing or verbally, contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.

Manage Your Most Valuable Asset: **TIME**

- 1. Keep A Schedule.**
This will help you to keep track of appointments, long-term deadlines and your priorities. Use this planner to keep all of this essential information in one place, so that you know where to find it when you need to recall an appointment, birthday, or important lecture that you don't want to miss.
- 2. Make A List.**
Start by making a list of everything that you need to do, including the date that each task must be completed.
- 3. Don't Procrastinate.**
Now that you have a filled-in agenda book and a prioritized list of tasks that need completion, there's only one thing left to do: get started!

A complaint should be filed within 15 business days after the complainant becomes aware of the alleged violation. (Processing of allegations of discrimination which occurred before this grievance procedure was in place will be considered on a case-by-case basis.)

An investigation, as may be appropriate, shall follow a filing of complaint. The investigation shall be conducted by the Vice President for Student Services and Administration and a copy forwarded to the complainant no later than 30 business days after its filing.

The Accessibility Services Coordinator shall maintain the files and records of Mitchell Community College relating to the complaints filed.

The complainant can request a reconsideration of the case in instances where he or she is dissatisfied with the resolution. The request for reconsideration should be made within 10 business days to the Vice President for Finance and Administration.

The right of a person to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies such as the filing of an ADA complaint with the responsible federal department or agency. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies.

These rules shall be construed to protect the substantive rights of interested persons to meet appropriate due process standards to assure that Mitchell Community College complies with the ADA and implementing regulations.

Confidentiality and Access to Records

The Family Educational Rights and Privacy Act (FERPA) of 1974 provides safeguards regarding the confidentiality of and access to student records. This Act will be adhered to by the College. Students and former students have the right to inspect and review their official records and to request a hearing if they challenge the contents of these records. No records shall be made available to unauthorized personnel or groups outside the College without the written consent of the student involved, except to the extent that FERPA authorizes disclosure with consent or under legal compulsion. Students have the right to file a complaint with the U.S. Dept. of Education concerning alleged failures by the College to comply with requirements of the act. The office that administers FERPA is the Family Policy Compliance Office, U.S. Dept. of Education, 400 Maryland Ave. SW, Washington, DC 20202-5901.

Closing and Delays

In the event of adverse weather, the College will determine whether to delay classes, cancel classes or close. A decision will be made by 6 a.m. for day classes and by 3 p.m. for evening classes. You can check the Mitchell website, Mitchell Facebook page, or call (704) 878-3200. Information will also be provided to local television and radio stations for posting and announcements.

- Classes Delayed means classes will not meet during the time of the delay. Students and faculty will resume a regular schedule at the time announced the College will open. That means late openings will start with classes normally taught at that hour. For examples, in the case of a two-hour delay:
 - Classes that run from 8 a.m. to 9 a.m. OR 9 a.m. to 10 a.m. would be canceled.
 - Classes that run from 9:30 a.m. to 11 a.m. would start at 10 a.m.
- Classes Canceled means no classes for students. Employees have the

- choice to report to work or take annual leave.
- College Closed means neither students nor employees are to report to the College. The College will decide how canceled classes will make up the work.
- Students, faculty and staff must assume responsibility for deciding if conditions are too dangerous to allow safe driving on public roads.

Class Registration

All current students will receive a message providing their online priority registration date through their Mitchell email account. Students must meet with their faculty advisor and develop an Educational Plan to register by this date.

Computer and Internet Usage

Mitchell provides computer, network, and Internet access to students for academic purposes only. Use for other purposes is not acceptable. Computer, network, and Internet access is a privilege which may be revoked at any time for abusive conduct. Abusive conduct includes, but is not limited to: altering equipment or peripherals; installing a "virus" or other software; running files to alter the system; placing unlawful information on a system; using abusive or objectionable language in messages; hindering other users' ability to work; causing congestion on the networks; using other people's computer resources without authorization; violating software license copyrights; entering accounts without full authorization; using College resources for a commercial venture or for personal profit; allowing others to use a password or account other than their own; violating system security; transmitting any unlawful, harmful, threatening, abusive, harassing, defamatory, vulgar, obscene, hateful, racial, ethical or otherwise objectionable material; distributing advertisements; displaying materials which may be construed as obscene; misrepresenting the identity of the user; or using the network for game playing.

Mitchell buys licenses for copyrighted computer software. The College does not own the copyright on this software or its related documentation and, unless authorized by the software developer, does not have the right to reproduce it. Any student who makes, acquires, or uses unauthorized copies of computer software on campus shall be subject to disciplinary action. Illegal reproduction of computer software can be subject to civil damages up to \$100,000 and criminal penalties including fines and imprisonment. For more information go to mitchellcc.edu.

Drugs and Alcohol

The use of drugs or alcohol on campus is strictly prohibited. Students violating this policy will be subject to disciplinary action. Click [here](#) for a copy of the Mitchell Drug and Alcohol Policy or request a copy from the office of the Human Services Department.

Health and Wellness

Students are encouraged to tell their instructors of medical conditions and to provide an emergency contact on their application for admission. If you miss class because of sickness, you need to contact your instructor.

First Aid and Medical Emergencies. Mitchell has no facilities for medical treatment other than minor first aid. A first aid kit is available in each building. If a medical or life-threatening emergency exists, go to the nearest phone and dial "911." If using a campus phone, it may be necessary to dial "9" first. Then call Campus Security at ext. 5555. Responsibility for medical services rests with

the student. The College uses the Iredell County EMS and the Emergency Care units of Davis Regional Medical Center, Iredell Memorial Hospital, and Lake Norman Regional Medical Center for medical emergencies.

Communicable Disease Policy. The College does not want to spread communicable diseases, so we will maintain a safe and healthy work environment and educate staff, students and the community. The College will comply with all state and federal laws or regulations regarding these issues. The College continues to adhere to recommendations from the Iredell County Health Department and CDC in response to the COVID-19 crisis.

Disposal of Medical Waste. All medical waste, including needles, diabetic blood and urine testing material, must be disposed of properly. For exact locations of approved medical waste disposal containers, contact Campus Security at (704) 978-5444.

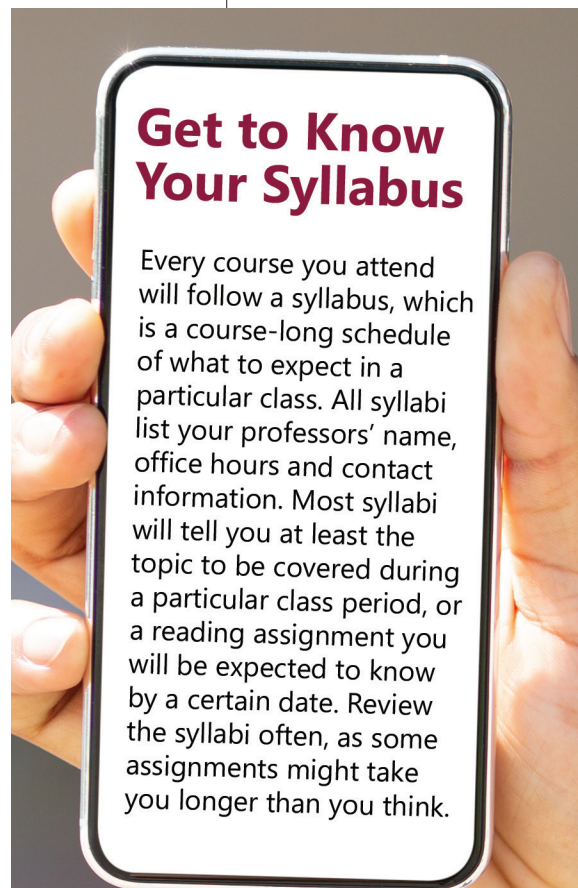

Food Services

Snack and drink machines are available in the Student Union on the Statesville Campus and in the Cyber Café at the Mooresville Campus. Water stations for refilling bottles are available throughout our campuses.

Lost and Found

Campus Security provides lost and found services. When an item is found, the security officer notifies the Campus Security Office. Items valued at more than \$20 are immediately turned over to the Campus Security Office while items valued at less than \$20 are held at the reception desk for one day prior to being secured in the Campus Security Office. Contact Campus Security to inquire about lost items.

In Statesville, contact the Security Office at (704) 878-4367, in Mooresville, (704) 881-5252.

Get to Know Your Syllabus

Every course you attend will follow a syllabus, which is a course-long schedule of what to expect in a particular class. All syllabi list your professors' name, office hours and contact information. Most syllabi will tell you at least the topic to be covered during a particular class period, or a reading assignment you will be expected to know by a certain date. Review the syllabi often, as some assignments might take you longer than you think.

Parking

Students may park in any student parking area on campus. Refer to the Campus Maps to find parking lots and other approved parking areas.

Use of an accessible space requires the display of an accessibility placard or tag.

Parking is not permitted in a fire lane, loading zone, reserved space or grassy area. The Statesville or Mooresville police departments may issue citations for vehicles parking improperly in accessible zones or fire lanes.

Improperly parked cars are subject to tow-away at full expense to the owner. If your car is towed, see the receptionist in the Student Services Center to get contact information for the towing company.

If all campus parking is filled, legal parking is available on Statesville streets surrounding the campus. The College has an overflow parking lot at 633 West End Avenue, one block west of campus. Parking is also available in the Cherry Street lot and in the lots by the Continuing Education and Workforce Development Center on Front Street. The City of Statesville has "All Day" parking on Walnut Street, east of Mulberry Street.

Parking Permits

Students and employees should display a Mitchell parking permit while on the Statesville Campus. At the Mooresville Campus, parking permits are recommended, but not required.

Parking permits may be obtained at no charge from the receptionist in the Campus Security Center, 101 S. Race Street, Statesville or from the Security Officer on the Mooresville Campus. Hours are Monday-Friday, 8:30 a.m.-noon and 2-4 p.m. Evening appointments may be made by calling (704) 878-4367.

During the first two weeks of school, arrive at least 30 minutes early to find a parking space and avoid being late for class.

Participation in Promotional Activities

For its promotional activities through media such as print, publicity, multimedia productions or the Internet, the College frequently uses student likenesses, words or biographical materials. Unless a student expressly prohibits the College from using their photographic images or voice/statements, the College assumes implied authorization. For students to revoke this authorization, they must complete an Opt-Out form available from the Coordinator of Student Activities. Photographs taken at a public events or photographs where your image is not recognizable are not covered by this opt-out. If you are in a situation where a College representative is taking photos, we recommend that you advise the photographer of your request to help ensure your privacy. The College commits to honor, to the extent that it's practical, any request to cease in the use of a photograph.

Smoking

Mitchell is a tobacco-free campus. That means that smoking and/or using

Student Rights, Responsibilities and Judicial Procedures

I. Preamble

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of this academic community students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus and in the community. Students should exercise their freedom with responsibility. As members of the academic community, students are subject to the obligations which accrue to them by virtue of this membership. As members of the larger community of which the College is a part, students are entitled to all rights and protection accorded them by the laws of that community.

By the same token, students are also subject to all laws, the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instance, college discipline will be initiated only when the presence of the student on campus will disrupt the educational process of the College. However, when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations. When students violate college regulations, they are subject to disciplinary action by the College whether or not their conduct violates the law. If a student's behavior simultaneously violates both college regulations and the law, the College may take disciplinary action independent of that taken by legal authorities.

II. Student Rights

All rights and privileges guaranteed to every citizen by the Constitution of the United States and by the state of North Carolina shall not be denied any student.

Students are free to pursue their educational goals. Appropriate opportunities for learning in the classroom and on the campus shall be provided for by the College. Student performance will be evaluated solely

on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

Students have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable and nondiscriminatory rules and regulations regarding time, place and manner.

Students have the right to inquire about and to propose improvements in policies, regulations and procedures affecting the welfare of students through established student government procedures, campus committees and college offices.

No disciplinary sanctions other than one-day removal from class or activity may be imposed upon any student without due process. Due process procedures are established to guarantee a student accused of a student code of conduct violation the right of a hearing, a presentation of charges, evidence for charges, the right to present evidence, the right to have witnesses on one's behalf and to hear witnesses on behalf of the accuser(s), the right to counsel, and the right of appeal.

III. Student Responsibilities and Student Code of Conduct

It is the responsibility of Mitchell students to be aware of and abide by the Student Code of Conduct. Students are also expected to abide by the verbal or written directives of college administrators, faculty and staff who ensure effective operation of the educational process, and to treat all persons with respect.

The college reserves the right to maintain a safe and orderly educational environment for students and staff. Therefore, when, in the judgment of college officials, a student's conduct disrupts or threatens to disrupt the College community, appropriate disciplinary action will be taken to restore and protect the sanctity of the community.

The purpose of this code is not to restrict student rights but to protect the rights of individuals in their academic pursuits.

The following regulations which prohibit certain types of student behavior are set forth in the Student Code of Conduct. Violation of one or more of the following regulations may result in one of the sanctions described in section V.

- Academic Dishonesty—taking or acquiring possession of any academic material (test information, research papers, notes, etc.) from a member of the College staff or student body without permission; receiving or giving help during tests; submitting or providing papers or reports (that are supposed to be original work) that are not entirely the student's own; not giving credit for others' work (plagiarism).
- Theft of, misuse of or damage to college property, or theft of or damage to property of a member of the College community or a campus visitor on college premises or at college functions; unauthorized entry upon the property of the College or into a college facility or a portion thereof which has been restricted in use and thereby placed off limits; unauthorized presence in a college facility after closing hours.
- Possession of or use of alcoholic beverages or being in a state of intoxication on the College campus or at college-sponsored or supervised functions off campus or in college-owned vehicles. Possession, use or distribution of any illegal drugs. Any influence which may be attributed to the use of drugs or of alcoholic beverages shall not in any way limit the responsibility of the individual for the consequences of his/her actions. (Refer to Drug and Alcohol Policy)

- Lewd or indecent conduct, including physical or verbal actions or distribution of obscene or libelous written material.
- Emotional or physical abuse of any person on college premises or at college-sponsored or college supervised functions, including verbal or physical actions which threaten or endanger the health or safety of any such persons or which promote hatred or racial prejudice. These actions may include hate speech, harassment or bullying whether the statements are made in-person, by phone or via the Internet.
- Any act, comment, or behavior which is of a sexually suggestive or harassing nature and which in any way interferes with a student's or any employee's performance or creates an intimidating, hostile or offensive environment.
- Obstruction or disruption of teaching, research, administration or disciplinary proceedings, or other college activities, including public service functions and other duly authorized activities on college premises.
- Occupation or seizure in any manner of college property, a college facility or any portion thereof for a use inconsistent with prescribed, customary or authorized use.
- Participating in or conducting an assembly, demonstration or gathering in a manner which threatens or causes injury to person or property; which interferes with free access to, ingress or egress of college facilities; which is harmful, obstructive or disruptive to the educational process or institutional functions of the College; remaining at the scene of such an assembly after being asked to leave by a representative of the College staff.
- Possession or use of a firearm, knife, incendiary device or explosive, except in connection with a college-approved activity. This also includes unauthorized use of any instrument designed or carried with the intent to inflict serious bodily injury to any person.
- Setting off a fire alarm or using or tampering with any fire safety or security equipment, except with reasonable belief in the need for such alarm or equipment.

- Forgery, alteration or misuse of college documents, records or instruments of identification with intent to deceive.
- Failure to comply with instructions of college officials acting in performance of their duties.
- Violation of the terms of disciplinary probation or any college regulation during the period of probation.
- Fiscal irresponsibility such as failure to pay college-levied fines, failure to repay college-funded loans or the passing of worthless checks to college officials.
- Violation of a local, state or federal criminal law on college premises adversely affecting the College community's pursuit of its proper educational purposes.
- Falsification of a college document. College documents include, but are not limited to, financial aid applications, admissions applications, residency determination applications, distance learning documentation and registration materials.

- Engaging in inappropriate behavior that interferes with the peace, order, and efficient and effective operation of the College, such as harassing another student or college employee, playing loud music and using loud, threatening and/or obscene language.
- Misuse of Mitchell Community College's computer equipment and/or network, computer Network and Electronic Communications Usage, or engaging in cyber-bullying, cyber-stalking, hacking, etc.

IV. Judicial Procedures

In the event of a violation of the Student Code of Conduct, the following steps shall be followed in order to resolve the issue:

A. Immediate Suspension. If an act of misconduct threatens the health or well-being of any member of the academic community or seriously disrupts the function and good order of the College, an instructor or administrative officer may direct students involved to cease and desist such conduct and advise them that failing to cease and desist will result in immediate one-class suspension. Such matters should be reported in writing to the Vice President for Student Services (VPSS) no more than one-day following the incident. The Vice President of Instruction and Vice President for Continuing Education may immediately suspend a student in the absence of the VPSS, the VPSS may suspend a student from the class or the College until a resolution of the matter can be made. The Vice Presidents for Instruction or Continuing Education may assume this role in the absence of the VPSS.

The Vice President for Student Services or designee shall resolve the matter in a timely fashion utilizing the steps outlined below in section IV. C.

B. Responsibility for Implementation. The Vice President for Student Services or his or her designee is responsible for implementing student discipline procedures.

C. Disciplinary Procedures. In order to provide an orderly procedure for handling student disciplinary cases in accordance with due process and justice, the following procedures will be followed:

- 1. Charges:** Any administrative official, faculty/staff member, or student may file charges with the Vice President or designee against any student or student organization for violations of college regulations.
The written charges must include:
 - Name of the student(s) involved
 - The alleged violation of the specific code of conduct
 - The time, place and date of the incident
 - Names of person(s) directly involved or witnesses to the infractions
 - Any action taken that related to the matter
 - Desired solution(s)
- 2. Investigation and Decision.** Within five working days after the charge is filed, the Vice President or designee shall complete a preliminary investigation of the charge and shall schedule a meeting with the student. After discussing the alleged infraction with the student, the Vice President or designee may act as follows:
 - a. Drop the charge.
 - b. Impose a sanction consistent with those shown in Section V.
 - c. Refer the student to a college office or community agency for services.
- 3. Notification.** The decision of the Vice President or designee shall be presented to the student in writing immediately following the meeting with the student. In instances where the student cannot be reached to schedule an appointment with the Vice President or designee, or where the student refuses to cooperate, the Vice President or designee shall send a letter to the student's last known address providing the student with a list of the charges, the Vice President's or designee's decision, and instructions governing the appeal process (Section VI).

V. Sanctions

Sanctions that may be issued by the College include, but are not limited to, the following:

A. Reprimand. A written communication which gives official notice to the student that any subsequent offense against the Student Code of Conduct will carry heavier penalties because of this prior infraction.

B. General Probation. An individual may be placed on General Probation when involved in a minor disciplinary offense: General Probation has two important implications: the individual is given a chance to show his/her capability and willingness to observe the Student Code of Conduct without further penalty; secondly, if he/she errs again, further action will be taken. This probation will be in effect for no more than two semesters.

C. Restrictive Probation. Restrictive Probation results in loss of good standing and becomes a matter of record. Restrictive conditions may limit activity in the College community. Generally the individual will not be eligible for initiation into any local or national organization, and may not receive any college award or other honorary recognition. The individual may not occupy a position of leadership or responsibility with any college or student organization, publication or activity. This probation will be in effect for not

less than two semesters. Any violation of Restrictive Probation may result in immediate SUSPENSION.

D. Restitution. Restitution may be required for damaging, misusing, destroying or losing property belonging to the College, college personnel or students.

E. Interim Suspension. Exclusion from class and/or other privileges or activities as set forth in the notice, until a final decision has been made concerning the alleged violation.

F. Withholding Transcript, Diploma or Right to Register. This sanction will be imposed when financial obligations are not met.

G. Suspension. Exclusion from class(es), and/or all other privileges or activities of the College for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than probation, or for repeated misconduct. Students who receive this sanction must get specific written permission from the Vice President before returning to campus.

H. Expulsion. This sanction involves dismissing a student from campus for an indefinite period. The student loses his/her student status. The student may be readmitted to the College only with the approval of the President.

I. Group Probation. This is given to a college club or other organized group for a specified period of time. If group violations are repeated during the term of the sentence, the charter may be revoked or activities restricted.

J. Group Restriction. Removing college recognition during the quarter in which the offense occurred or for a longer period (usually not more than one other quarter). While under restriction the group may not seek or add members, hold or sponsor events in the College community, or engage in other activities as specified.

K. Group Charter Revocation. Removal of college recognition for a group, club, society, or other organization for a minimum of two years. Re-charter after that time must be approved by the President.

VI. Appeals Procedure

A student who disagrees with the decision of the Vice President for Student Services or designee may request a hearing before a Disciplinary Review Committee. This request must be submitted in writing to the Vice President for Student Services within three working days after receipt of the Vice President's decision. The Vice President shall refer the matter to a Disciplinary Review Committee together with a report of the nature of the alleged misconduct, the name of the complainant, the name of the student against whom the charge has been filed, and the relevant facts revealed by the Vice President's or designee's investigation.

VII. Student Grievance Procedure

A. Purpose. The purpose of the student grievance procedure is to provide a system to channel student complaints against faculty and staff concerning the following:

1. Alleged discrimination on the basis of age, sex, race, disability or other conditions, preferences or behavior, excluding sexual harassment complaints.
2. Sexual harassment complaints should be directed to the Vice President for Student Services. Because of the sensitive nature of this kind of complaint, a conference with the Vice President will replace the first step of the grievance procedure. The Vice President will counsel the student to determine the appropriate action that is required. If the grievance is not resolved after this meeting, then the remainder of the grievance procedure will be followed.
3. Academic matters, excluding individual grades, except where the conditions in Item 1 above apply.
4. Failure to comply with State Authorization Reciprocity Agreement (SARA) requirements.

B. Procedures

1. **First Step:** The student must go to the instructor or staff member where the alleged problem originated. An attempt will be made to resolve the matter equitably and informally at this level. The conference must take place within five working days of the incident which generated the complaint.
2. **Second Step:** If the grievance is not resolved at the informal conference, the student may file a written grievance. A grievance form shall be made available to the student by the Vice President for Student Services. The Vice President will explain the grievance process to the student. The completed grievance form must be presented to the Vice President within five working days after satisfying the first step in the grievance process. The Vice President will then refer the grievance to the immediate supervisor involved. The supervisor shall respond in writing to the student within 10 working days of receipt of the grievance form from the department involved.
3. **Third Step:** If the student wishes to appeal the decision of the supervisor, a further appeal may be directed to the Vice President for Instruction within five working days. The Vice President for Instruction shall respond in writing to the student within 10 working days of receipt of the grievance form.
4. **Fourth Step:** If the written statement of the Vice President for Instruction does not satisfy the grievance, a request to appear before the Student Grievance Committee may be made. The student must submit a written request within 5 working days after receiving the written response of the Vice President for Instruction. The request shall include a copy of the original grievance form and the reason why the responses are unsatisfactory. A copy of the responses must be attached to the request by the student. The Vice President for Instruction shall notify immediately the

President who shall insure that the Committee is organized in a manner consistent with Section C of this procedure (The Student Grievance Committee). The Vice President for Instruction will send copies of the appeal to the members of the Committee, the employee, and the employee's supervisor. The employee against whom the grievance was filed shall be given an opportunity to respond in writing to the chair of the Committee. Meeting(s) shall be conducted between five and 15 working days following the date of the request. The Committee shall hold interviews with the grievant, the employee and the supervisor, singularly, and the absence of other witnesses. The committee may interview any additional witnesses that it considers necessary to render a fair decision. The Committee shall decide by a majority vote the solution of the grievance. In case of a tie, the chair shall vote, thus breaking the tie. The chair shall forward a copy of the Committee's decision to all parties involved and to the office of the President of the College within two working days.

5. **Fifth Step:** The Committee's decision may be appealed by either party involved to the President of the College within 10 working days of the Committee's decision. The President shall review the Committee's findings, conduct whatever additional inquiries that are deemed necessary and render a decision within 10 working days of receipt of the appeal.
6. **Sixth Step:** The President's decision may be appealed by either party involved to the Board of Trustees of the College within 10 working days of the President's decision. The Board of Trustees or a committee of the Board shall review any information to date, conduct whatever additional inquiries that are deemed necessary and render a decision within 20 working days of receipt of the appeal.

C. The Student Grievance Committee

A Student Grievance Committee will be formed for each grievance. The committee makeup and method of appointment will be the same as for the Disciplinary Review Committee.

D. Right of Parties Involved in a Grievance

When a grievance committee meeting is scheduled, the parties involved are entitled to:

1. A written notice of the time and place of the meeting. This notice shall be forwarded to all parties at least five working days prior to the meeting unless they waive this requirement.
2. Review all available evidence, documents or exhibits that each party may present at the meeting.
3. Have access to the names of the witnesses who may testify.
4. Appear in person and present information on his or her behalf, call witnesses, and ask questions of any person present at the meeting.
5. The right to counsel. The role of the person acting as counsel is solely to advise the client. The counsel shall not address the Committee.

The student grievance and appeals procedure provides a system to channel student complaints and requests to appropriate college officials. The Student Rights, Responsibilities and Judicial Procedures policy as published in the Student Handbook establishes a student's right to inquire about and to propose changes to the policies, regulations and procedures affecting the welfare of students.

Students may also file a grievance with the Commission on Colleges of the Southern Association of Colleges and Schools (SACS), 1866 Southern Lane, Decatur, GA 30033-4097, (404) 679-4501.

Grade Appeal Policy

The course instructor is responsible for determining the grade a student earns for the course. The grade determination should be based on the course grading policy as detailed in the course syllabus. Occasionally, a student may disagree with the final course grade as assigned by the instructor. In those cases, the student should follow the steps as outlined below:

1. The student should meet with the course instructor and discuss the grade. This meeting must take place within 30 calendar days of the initial assignment of the grade.
2. If the student still feels the grade has been incorrectly assigned then the student should meet with the instructor's curriculum division dean. After confirming that an effort has been made between student and instructor to reach an agreeable outcome regarding the grade in question, the dean will:
 - a. Listen to the student's explanation of why he or she thinks that the grade is in error,
 - b. Talk with the instructor to confirm that the instructor can either demonstrate the grade was correctly assigned or to confirm that, upon reexamination, a grade change is in order,
 - c. Communicate to the student the result of the dean/instructor discussion. If the student is dissatisfied with the outcome, a meeting will be arranged to include the instructor, the student and the dean to determine whether or not an agreeable outcome can be reached.
3. If the student remains dissatisfied with the outcome, he or she should state the reason(s) that the grade is believed to be in error in a written appeal addressed to the Vice President for Instruction. This written appeal must be submitted within 10 calendar days after the meeting between the student, instructor and dean. Upon receipt of a written appeal, the Vice President for Instruction will convene the Grade Appeal Committee. The Grade Appeal Committee will be comprised of one faculty member from each of the four curriculum divisions, to be chosen by the full-time faculty in their respective divisions. For each appeal, the committee will select one member to serve as non-voting chair and recorder for the appeal.
4. The student and instructor will be given an opportunity to address the committee and to answer questions. After reviewing all relevant information presented, the committee will render a decision reflecting the popular opinion of the committee. The committee will report its decision to the Vice President for Instruction who will notify the student and the instructor of the outcome.

Understanding Financial Aid... Your choices today could affect your future educational goals

Lifetime Pell Eligibility

A student is limited to 12 semesters (or 600 percent) of Pell Grant and State aid eligibility *during their lifetime*.

What is Satisfactory Academic Progress?

Financial Aid applicants must comply with the U.S. Department of Education's guidelines for Satisfactory Academic Progress. Mitchell's Satisfactory Academic Progress policy measures a student's qualitative and quantitative progress:

- Maintain a cumulative grade-point average of 2.0 as calculated by the Financial Aid Office, which includes developmental classes,
- Successful completion of cumulative credits attempted.
- Ability to complete within 150 percent maximum time frame limit at a specific pace to ensure completion.

What does this mean for Financial Aid Students?

- Go to Mitchell's Tutoring Center at the first sign of academic struggle in any of your classes.
- Avoid withdrawing from classes. Students withdrawing from all classes prior to the 60 percent point will be subject to the Return of Title IV Funds Policy and may have to repay funds to Mitchell Community College and/or the U.S. Department of Education.
- Stay on track to finish your program in a timely manner.

Contact your Financial Aid Specialist at (704) 978-5453 if you have any questions or refer to the Satisfactory Academic Progress Policy at mitchellcc.edu.

5. The decision of the Grade Appeal Committee will be final.
6. As per procedure, should any portion of the process result in the need to change the grade the instructor will submit an Authorization to Change Grade form.

Attendance Policy

Mitchell Community College is an attendance taking institution. Instructors in all curriculum courses are required to report student attendance. Attendance begins on the first scheduled day of a course, even for students who register late. Mitchell Community College recognizes the connection between student attendance and student retention, achievement and success. Students are expected to attend all class sessions, clinical experiences, and laboratory period for which they are enrolled. Absence from any of these learning experiences, regardless of cause, reduces the opportunity for learning and may adversely affect a student's achievement.

Students are responsible for class attendance and for any class work missed during an absence. The instructor's policy on make-up work must be clearly stated in the class syllabus. Obtaining and making up missed work is the student's responsibility.

To remain enrolled in a course, a student must attend or participate in class on or before the class census date. If a student does not attend or participate in class by the census date, they will be reported as a "no show" (NS) and will be automatically removed from the course by the Registrar. To ensure students attend class and avoid being marked as a "NS", students need to:

- For traditional 100% seated classes, a student must be physically present in class on or before the class census date.
- For blended or hybrid classes, a student must either complete the mandatory course enrollment activity in the LMS or physically be present in class on or before the class census date.
- For 100% online classes, a student must complete the mandatory course enrollment activity in the LMS on or before the class census date.

If a student does not meet the census date requirement, the student must be reported as an "NS" for the class. Students reported as a "NS" are removed from the class. The "NS" date and the census date are the same date for a course and can be found on the course syllabus. For blended, hybrid, and online courses this date is also noted in the Mandatory Course Enrollment Activity.

When a student fails to comply with the attendance policy of the class or fails to attend/participate for two consecutive weeks (14 calendar days) without prior arrangements being made with the instructor, the instructor will process an administrative withdrawal (W) for the student, resulting in a grade of W (See Withdrawal Policy). Instructors will process an administrative withdrawal up until the end date of a course, if a student has not attended/participated for two consecutive weeks (14 calendar days).

Withdrawal Policy

The last day to withdraw from a course or from all courses with a grade of "W" is at the 75 percent point of the course. The exact date is published on the Academic Calendar. After the 75 percent point of the course, the student can no longer initiate a withdrawal and will receive the grade earned in the course at the end of the term.
