

**Associate Degree Nursing Program
Student Achievement Outcome Data**

Associate Degree Nursing Program NCLEX-RN Pass Rates on 1st attempt

ELA: The program shall meet both standards:

- The annual licensure examination pass rate will be at 80% or greater for all first-time test takers from January 1- December 31 (ACEN 2023 Standard).

- The nursing program shall maintain a pass rate that meets or exceeds 90% of the national pass rate for licensure level on first writing of the licensure examination for calendar years ending December 31 (NCBON Administrative Code).

Year	Mitchell NCLEX Pass Rate	Traditional Option	Paramedic Option
2023	97.7%	96.2%	100%
2022	95.6%	94.5%	100%
2021	86%	84.6	90.9%

Program Completion by Academic Year

Aggregate ELA: 55% of all students who begin in the associate degree nursing program will complete on time.

Disaggregated ELA:
