

Public Safety—EMT Student Registration Packet Checklist

To the Prospective EMT student. This form is provided as a checklist of the information that Mitchell Community College needs for you to be able to register for the EMT training course. Items are explained as to what exactly is needed. Some items will not necessarily apply to you. Please understand that if any information is not present in your training folder at the end of the class, it will be **your** responsibility to obtain the information and present it to the EMS Program Coordinator. **NO** student will be allowed to test for their North Carolina EMT certification until all information requirements are fulfilled.
